

Glasgow Alternative Bike Tour

Discover the hidden gems of Glasgow on our alternative bike tour. We'll showcase some of our favourite street art and check out the emerging hipster scene too. Below are just some of the highlights we'll see!

Glasgow Green

Cycle picturesque Glasgow Green and take in a variety of attractions such as the People's Palace, Doulton Fountain and the Templeton Carpet Factory.

Glasgow Women's Library

This a hidden gem that showcases the fascinating stories and treasures of the powerful and inspiring women who have shaped history through a wide range of materials and engaging events

The Merchant City

The Merchant City in Glasgow is a historic district in the east end of the city centre known for its vibrant culture, diverse architecture, and wide range of shops, restaurants, and bars,

Glasgow Alternative Bike Tour

“Excellent morning! As an adopted Glaswegian I thought I knew most of Glasgow's history but I was wrong!”

“Would highly recommend it to anyone visiting the city or to people currently living in Glasgow to find out more about the hidden gems hiding in plain sight!”

An Gorta Mor & St Mary's Chapel

Visiting the Irish Famine Memorial is an educational and moving experience as it depicts the struggles and hardships faced by Irish immigrants during the Great Famine of 1845-1852

Tennent's Brewery

The Tennent's Wellpark Brewery is a historic and iconic brewery that offers tours, tastings, and a glimpse into centuries-old brewing traditions, making it an exciting destination for beer lovers and history buffs alike

The Merchant City

The Merchant City in Glasgow is a historic district in the east end of the city centre known for its vibrant culture, diverse architecture, and wide range of shops, restaurants, and bars,
