ABOUT US

Information on the App and its creator.

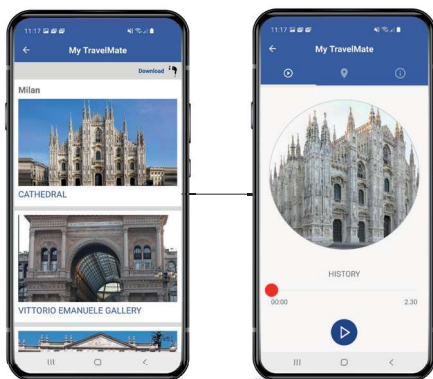

LISTEN OFFLINE

Save internet connection data traffic. Here you'll find all the content you downloaded earlier from the "Listen in Streaming Mode" section, by clicking on "Download".

LISTEN IN STREAMING MODE

This is the heart of the App. From here, you can listen to the audio files on the wonders of the cities you're visiting. Choose the point of interest, open the audio file of your choice and click on PLAY to listen. You can also read the text if you wish.

AROUND ME

Discover the wonders nearest you. Click on the pinpoint to activate the map and geolocate the point of interest. Let the navigator guide you towards your preferred destination.
